Addition

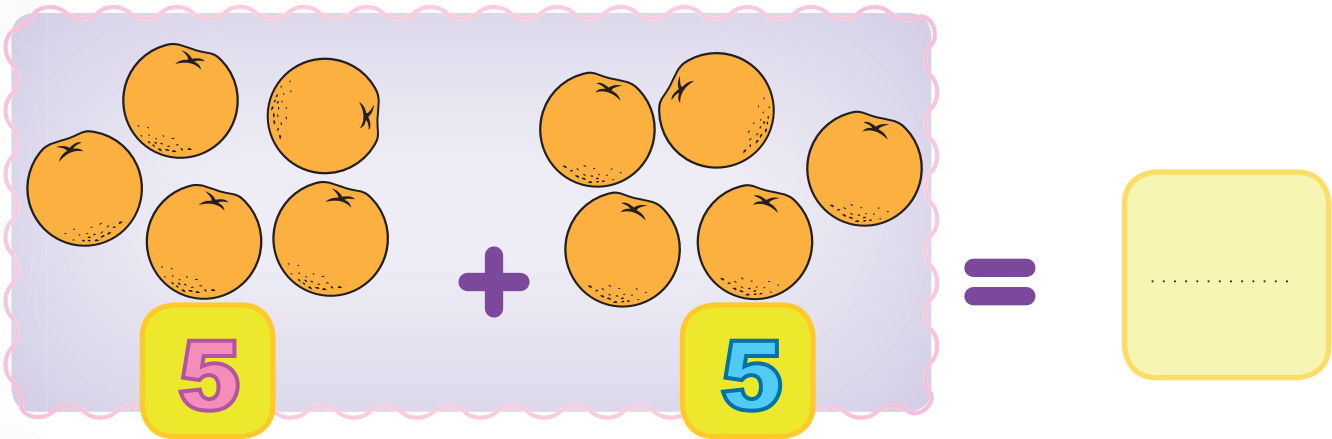

Complete.

A purple rounded rectangle containing five cartoon birds: a green one, a purple one, an orange one, a red one, and a yellow one. Below the first four birds is a yellow box with the number 4. Below the yellow bird is a yellow box with the number 1. A plus sign is between the boxes. To the right is an equals sign followed by a yellow box with a dotted line.

$$4 + 1 = \dots$$

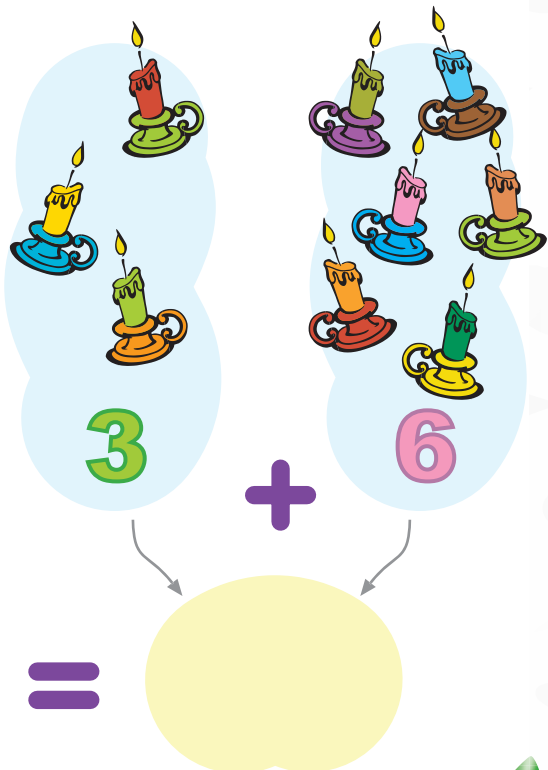

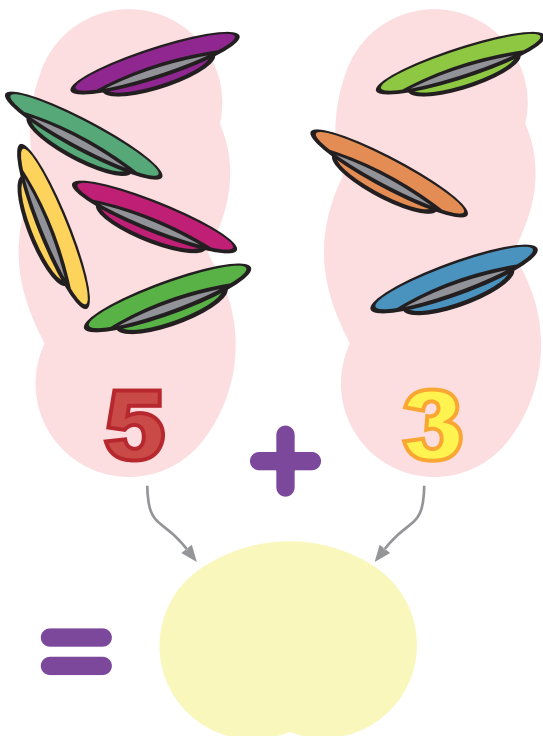

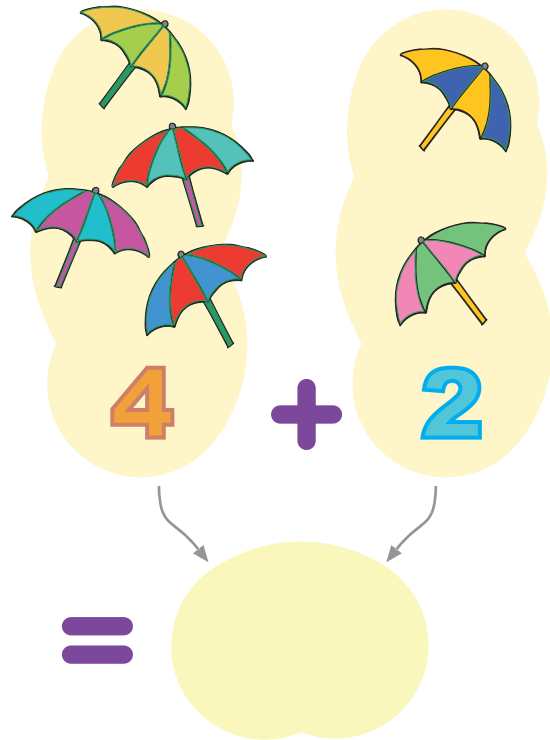

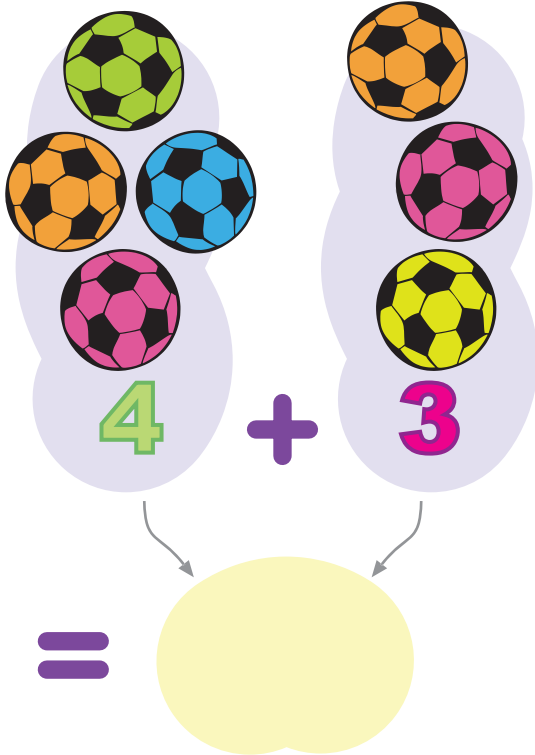

A purple rounded rectangle containing seven flowers: two pink, two purple, one orange, one blue, one pink, and one yellow. Below the first two flowers is a yellow box with the number 2. Below the last two flowers is a yellow box with the number 3. A plus sign is between the boxes. To the right is an equals sign followed by a yellow box with a dotted line.

$$2 + 3 = \dots$$

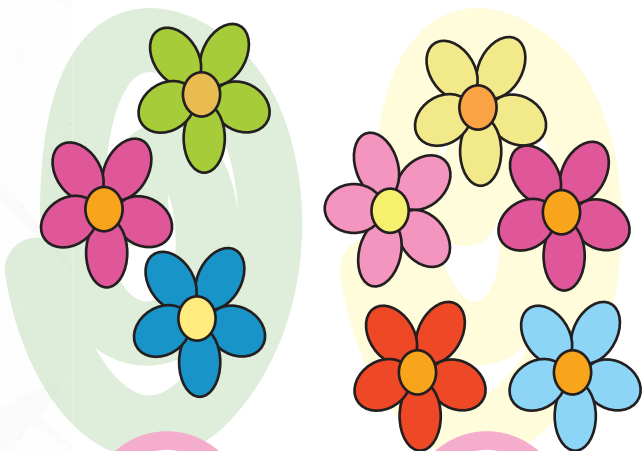

A purple rounded rectangle containing ten oranges. Below the first five oranges is a yellow box with the number 5. Below the last five oranges is a yellow box with the number 5. A plus sign is between the boxes. To the right is an equals sign followed by a yellow box with a dotted line.

$$5 + 5 = \dots$$

6 brown eggs are shown on the left, and 4 brown eggs are shown on the right. Below the eggs are two empty circles with a dotted line inside, separated by a plus sign. Below that is an equals sign followed by a dotted line for the answer.

$$\text{6 eggs} + \text{4 eggs} = \text{.....}$$

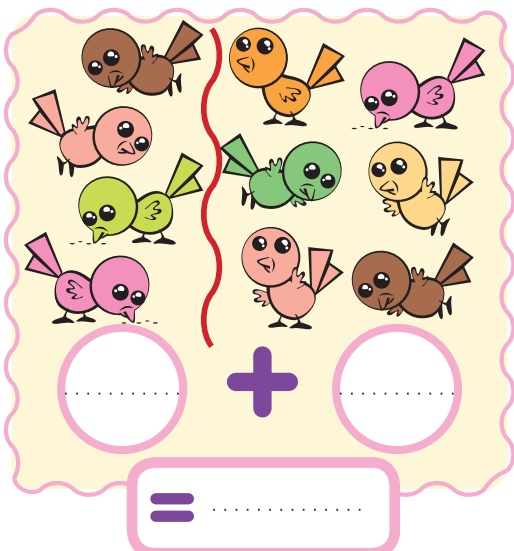

5 colorful balls (yellow, blue, pink, green, orange) are shown on the left, and 3 colorful balls (pink, green, orange) are shown on the right. Below the balls are two empty circles with a dotted line inside, separated by a plus sign. Below that is an equals sign followed by a dotted line for the answer.

$$\text{5 balls} + \text{3 balls} = \text{.....}$$

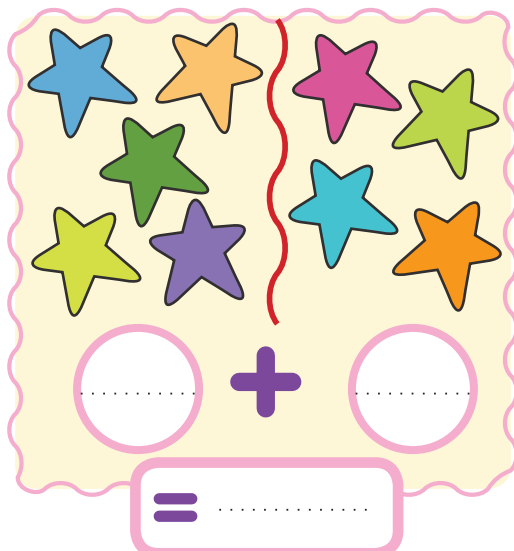

8 colorful lollipops (pink, blue, orange, green, yellow, purple) are shown on the left, and 4 colorful lollipops (yellow, purple, blue, pink) are shown on the right. Below the lollipops are two empty circles with a dotted line inside, separated by a plus sign. Below that is an equals sign followed by a dotted line for the answer.

$$\text{8 lollipops} + \text{4 lollipops} = \text{.....}$$

8 colorful pencils (blue, red, purple, orange, green, brown) are shown on the left, and 2 colorful pencils (purple, orange) are shown on the right. Below the pencils are two empty circles with a dotted line inside, separated by a plus sign. Below that is an equals sign followed by a dotted line for the answer.

$$\text{8 pencils} + \text{2 pencils} = \text{.....}$$

10 colorful birds (brown, orange, pink, green, yellow) are shown on the left, and 5 colorful birds (pink, brown, orange, yellow, green) are shown on the right. Below the birds are two empty circles with a dotted line inside, separated by a plus sign. Below that is an equals sign followed by a dotted line for the answer.

$$\text{10 birds} + \text{5 birds} = \text{.....}$$

10 colorful stars (blue, orange, pink, green, yellow, purple, cyan) are shown on the left, and 5 colorful stars (pink, green, cyan, orange, yellow) are shown on the right. Below the stars are two empty circles with a dotted line inside, separated by a plus sign. Below that is an equals sign followed by a dotted line for the answer.

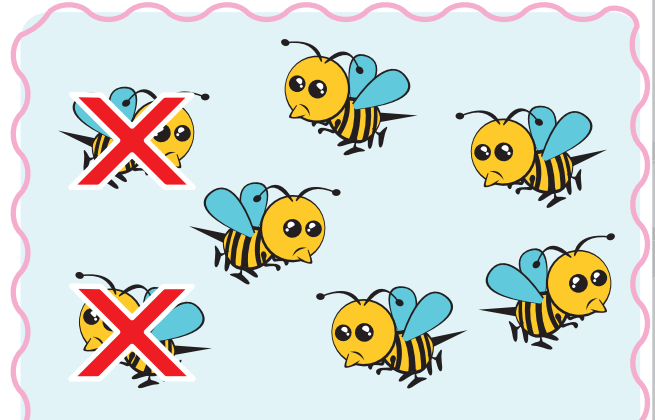

$$\text{10 stars} + \text{5 stars} = \text{.....}$$
