

# *Snow White*

Once upon a time, there were a king and queen. The queen was kind and lovely. One winter day, the queen looked at the snow and said “I wish I had a baby that had skin as white as snow.” The kind queen got her wish when she gave birth to a baby girl who had skin white as snow. They named the baby princess Snow White.

Snow White was a happy child. She spent most of her time playing with her mother. But sadly, the queen suffered from dangerous disease that no one could find a cure for her. Snow White refused to eat or play any more. All the servants were sorry for the queen. Bad news was told to Snow White that her mother died.

Soon after, the king married a new woman who was beautiful, but as well proud and cruel. She had studied dark magic and owned a magic mirror, of which she would daily ask, Mirror, mirror on the wall, who's the fairest of them all? Each time this question was asked, the mirror would give the same answer, "you are, art the fairest of all." This pleased the queen greatly as she knew that her magical mirror could speak nothing but the truth.

One morning when the queen asked, “Mirror, mirror on the wall, who’s the fairest of them all?” she was shocked when it answered: You, my queen, are fair; it is true. But Snow White is even fairer than you. The Queen flew into a jealous rage and ordered her huntsman to take Snow White into the woods to be killed. She demanded that the huntsman return with Snow White’s heart as a proof.
